Mr. David B. Jansen, P.E.
Hanford Project Manager
State of Washington
Department of Ecology
P.O. Box 47600
Olympia, Washington 98504-7600

Dear Messrs. Day and Jansen:

TRANSMITTAL OF THE 200 WEST GROUNDWATER AGGREGATE AREA MANAGEMENT STUDY REPORT (AAMSR), REVISION 0

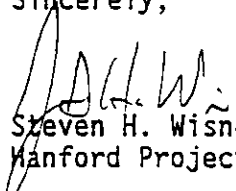

This letter transmits the Revision 0, 200 West Groundwater AAMSR to the U.S. Environmental Protection Agency (EPA) and the State of Washington Department of Ecology (Ecology).

The 200 West Groundwater AAMSR was prepared as a secondary document in accordance with the objectives of the Hanford Past Practice Strategy (DOE/RL-91-04) and the methodology and format for the AAMSR presented in AAMSR Chapter 1, which was submitted as interim milestone M-27-01.

The U.S. Department of Energy, Richland Field Office (RL) transmitted the Draft A, 200 West Groundwater AAMSR for review and comment by EPA and Ecology on August 27, 1992. RL received EPA and Ecology's comments on the AAMSR on October 26, 1992, and provided its dispositions on November 24, 1992. In order to ensure that comments were understood and appropriately resolved, a meeting was held with EPA and Ecology on November 24, 1992. In addition, informal telephone discussions took place to further clarify and resolve comments. All of EPA and Ecology's comments have been dispositioned and incorporated as appropriate into Revision 0.

If you have any questions regarding this report, please contact Mr. P. M. Pak on (509) 376-4798.

Sincerely,

Steven H. Wisness
Hanford Project Manager
